

REMARKS

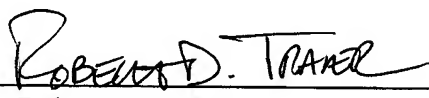

The above-identified patent application has been reviewed in light of the Notice of Missing Requirements mailed 28 June 2002. A sequence listing in compliance with the requirements of 37 CFR 1.821-1.825 is entered into the specification with this amendment. Applicants submit herewith a computer readable copy of the sequence listing in compliance with 37 CFR 1.821(e). Applicants state that the information recorded in computer readable form is identical to the written sequence listing. Applicants also note that the sequence listing submitted here contains the sequence data shown in Figure 1 filed with the application. As such, Applicants submit that this amendment adds no new matter to the disclosure.

Based upon the foregoing, Applicants believe that all pending claims are in condition for allowance and such disposition is respectfully requested. In the event that a telephone conversation would further prosecution and/or expedite allowance, the Examiner is invited to contact the undersigned.

Respectfully submitted,

SHERIDAN ROSS P.C.
